

Nelson County Redistricting Board to hold Public Hearing

The Nelson County Redistricting Board will hold a public hearing to present alternative plans for redistricting County Commission on **Tuesday, December 7, 2021 at 9:00 A.M.** in the Nelson County Commission Room. Public comment regarding the alternative plans will be accepted in-person during the hearing.

Redistricting of County Commission Districts occurs after each federal decennial census. Per ND Century Code Chapter 11-07, counties that have at least one County Commission District that deviates more than 10% from the average population per commissioner as determined by dividing the total population of the county from the most recent census (Census 2020) by the number of commission districts in the county must redistrict. Nelson County meets this criteria for redistricting in 2021.
